Fall 2006

Project Management & Computer Engineering, [STAFFORDSHIRE UNIVERSITY](#) (United Kingdom)

June 2004

Baccalaureate, science section, mathematics specialization; with honors (Asnières)

Skills

Frontend Web Development

JavaScript, Angular, Vue, D3

CSS, SASS / LESS, BEM / OOCSS / ITCSS, Responsive Design, Accessibility

HTML, XML, SVG ; JSON & RESTful APIs

Backend Development

Scala, Java / J2EE, SQL, Python, Ruby, C

UML, Regex & parsers, Shell / Bash, x86 Assembler

Development of an open-source regex composition DSL in Scala: [REL](#)

Ansible, Jenkins CI, Git / Bazaar / SVN

Cloud & Big Data

Hadoop (CDH, HDP), Spark, Hive, Impala, Elasticsearch, MongoDB

Machine Learning, Scikit-Learn, MLLib, H2O / Sparkling Water

Docker, Ansible, Amazon Web Services / S3 / EC2

Interests / Tech watch

UX & UI, IS Security, Performance, Web Technologies

Languages

French – native

English – fluent; **Technical English**

Spanish – basic

Project management

Agile methodologies, Scrum

Documentation, technical communication

Management of a development team, technical advisor

Hobbies

Interests

High-tech, reading, photography, asian cultures, drama

Sports

Martial arts, dancing, volley ball, kart racing, fencing
